Re: Freedom of Information Act Requests dated September 26, 2006

Dear Mr. Schlesak:

We are in receipt of your most recent Freedom of Information Act requests. I have reviewed your requests and have again been informed by the Secretary of State Department of Drivers Services that the documents sent to you on August 28, 2006 are the only documents in our files that address the bona fide religious convictions issue. In other words, there are no other documents in our files that comply with your initial request of August 11, 2006, your follow-up request dated September 26, 2006 or your new request dated September 26, 2006.

Thank you again for your correspondence. Please contact us if you have any questions.

Sincerely,
